ASC Meeting Minutes 6-13-2020

Concepts read by Ted T.

New Members and Visitors–

Reinstatement of Groups – 0

Roll call - GROUPS PRESENT 11

Minutes Approved - Motion to approve by Denise , 2nd by Chris

REPORTS:

Vice Chair – Hector – Reached out to some of the groups regarding the voting. Some of the groups didn't want to visit the area zoom. NCC was going through a transition of gsr. Other groups knew about the voting for this area. There were some concerns about traditions being violated. I attended and didn't see that. No other concerns.

Treasurer– Monica – \$992.78 beginning bal. Paid up zoom and regional and storage. Got 5 contributions from groups. Got some individual contributions through Venmo. \$46.35 through app. \$925.54 new bal. All regional checks have cleared. ASC should be made aware that we still need to purchase laptop and scanner. Also have reserve \$1100.00 (eoy and prudent reserve)

RCM I– Liz Lo- Jay will give report. See written report. Locally very few live meetings. Motion to cancel convention until 2021. Las Cruces removed their bid. To cancel 2020 convention passed at region. We would have been the only area voting for postponement. Terms of positions did not pass so new officers for regions. Sashua is the Reg. Delegate. Tom is the Alt.

P&P – Jeff S. – See attached written report.

Activities – Joe- A

H&I – Jaime D. – 1st panel meeting at EPBH. Rogelio Sanchez does not allow access to internet and not doing any screenings at this time. Otero also not doing virtual meetings. Have a receipt for literature sent there. Our Region is having a virtual event with PR as well. Sept 26-27,2020. Virtual Event. Will be taking a virtual panel to Trinity soon. Currently looking for a secretary and panel leader for women's Aliviane. Next meeting July 5th 2pm.

PR – Jeff S. – Met June 6. Only 4 members present. Contact Efforts include EPBH where we coordinated a virtual event with HI. That was 4 years in the making. At Rescue Mission we have a new contact. We may be able to put up placards and signs. ROSC cancelled in May but having it next Wed. PR Order finally came in from World. We now have the literature in case health fair from utep actually happens. Region approached by a reporter from EP Matters. Tom K referred him to me. The report is on EP Matters. Did not give out my last name. He got most of it correct except he called it my sobriety from drugs. El Paso Matters.org. Look for Coronavirus. Pete and I attended the Phone Line meeting. Concerns about region accepting local calls. Jay mentioned have a presentation for users in the clinic for their clients. Discussion on new ideas at Zonal Forum. We discussed having a City map, laminate, pin it and have a task force around the city. Would work with work groups like with police, EMT workers, etc. Regional Ad-Hoc is doing virtual event with PR and HI at 4pm every Saturday. Ideas, coordination of events, also needs speakers. Next meeting scheduled July 4th may need to change that. Jay if anyone knows any out of state H&I people let us know.

Phone Line - Tracey – Received 55 calls from May 1 to June 12. Updated list of contact so we now have 6 men 6 women. Established a webmaster team. We would like to have 3 master themes to vote on. Have a new set of el paso members as backups. Next ASC phone line meeting tomorrow 4pm in virtual meeting room 242-124-2449. Corina – funding for 3 websites. What do we mean by funding? With the web team we created that day did some shell accounts. Tracey - Will bring it up in motion. Will need funding to launch the websites.

TSCNA Liaison – Grey - A

Ad Hoc – Virtual Meeting Committee – Jeru – Meeting weekly on Fridays at 5pm. That's where we do learning stuff for control of rooms and accounts as Zoom continues to update and change regularly. The system continues to glitch. That is why some of the features are turned off. This way the meetings don't get bombed. For example the share and chat and also why we mute the mic. We are looking at diff ways to try to control the zoom bombers and the team needs to be able to hold on to the host and co-host position because we are looking for the indicators of people trying to do that such as their name or that they come in naked. We also posted the virtual meetings and have been getting hit a lot from that. However, have also had an increase in attendance from that as well. Even people from all over the world. So we do keep the screen share off until its needed and also unmute people one by one and use the raised hand and keeping the audio off. So it may seem that we are trying to take command but we are trying to protect the meeting. This is how we handle the bombers. Would love feedback on that.

Group reports -

Candlelight – Monica – \$20.00 donaion. avg att 30, new 4. Last night Yvonne 2yrs. June 19th – Liz La 6yrs

High Hopes – Jay – Virtual meetings. No donation not having 7th trad. Still virtual. Group conscience to keep it virtual. Texas had highest covid cases on wed. so not over the hump. We feel ppl are still at risk. Ave att 5. Ppl are there but not sharing. Minimal new comers. No visitors from out of town.

Keeping It Simple – G. Jim – Avg att 10. Several newcomers. 4-5. Saving donation to asc until we meet in person. Using format of guiding principles. 6th month 6th tradition. Still having meeting and a meal on the last Sunday of every month. Also about 10 ppl. Masks are always required. Keeping social distance. Have encouragement of facility to keep it open for new comers. Unity through Fellowshiping 1st and 3rd sat of every month. Starts at 7 and ends when we get tired. Sometimes there until 2am playing games and whatnot. Encourage members to join. Everyone is welcome. Just make sure you bring your masks.

Power of Love – Denise – Currently virtual meetings. Ave att 12. Newcomers 2. No donation. Celebrated Denise on Monday June 8th. The Church is opening but not to outside groups yet.

Que Esta Pasando – Juanita – Meeting on zoom. Had a celebration last week. Continue to share in Spanish. Only on celebrations bilingual. \$10.00 donation from this month. \$10 from last month. So have \$20 total

Rainbow Recovery – Jeru – Group meeting every Friday but now changed to Sat at 5:30 pm. to see if attendance grows. Now changing format to Living Clean book. \$20.00 donation

Saturday Night Live – Tim – A

Shares:

Share 1 – Tracey - Webpage designs. Created a web team. 5 members. We no longer have access to the original page shown at asc. We were able to create our own webpage. 3 of us have a page to share. These are just examples. We are not tech experts so this is just to show it is not hard to do. 1st. shows help line. Has links for different things. Has contact info. Just an idea of what it looks like. 2nd – home screen. Events flyers activities. Links. Registration online for conventions. Meetings list. Contact us.etc, 3rd – has all the same stuff. just looks different. Has some of the virtual online meetings. We can link to Region or World.

The reason we want to do this is because we don't have to ask region to update our meetings or to do things for us. They change the password and was recently unable to update ep info. But now we don't have to wait for them. We can just link up to them. We can create our own. These are just examples. New ppl ask about our website. I have to refer them to region and walk them through it. Its \$156 per year or \$13 per month. Ted - is this a living doc where you can go in and change the info the pics etc? Tracey - that's right. The webteam would have access. Also have a contact to email us. Submitting a motion to approve the funding. The voting is already done.

Corina – Tracey did an awesome job. Monica – I feel very comfortable with this website committee. Because you have a committee instead of just one person. Monica – do we need to vote on the content? Or just the money? Just the money although the EP NA would probably want to vote on the content too

Vote to extend. Yes

Ted – What about Security. Tracey – to Monica. If we do get funding then we can arrange a web team meeting. Open to all. That way we can brainstorm on the webpage we want to do. We can use one of the formats we have and go from there. It will be up to the web team to create it and add. And Ted once we pay for the webpage it is owned by us. Let's say its owned by me and by Michael. Then no one can do anything to it.

Corina – please go to meeting for more information. The ad hoc was there as well. Encouraged to put meetings on world web. Can you change the owners?

Monica – Set up an area email. Then website set up to area email account. It would be just like the bank acct.

Share 2– Jeff – Virtual meetings and Security. We began getting attacked after we put up the meetings on virtual site. There are a lot of random ways ppl can create mischief. We have had a lot of ppl complain about us taking control. But keep in mind it is only to protect the meeting. We have had frequent flyers. We do want to be able to control the rooms but not the meeting. It is somewhat tricky because any changes shifts the attendees. They look legit but end up being malicious. We are doing a lot of research on how that works but they are very creative. Jay – I would think that if I was paying money to a company and having all these issues they should be fixed. Has anyone contacted Zoom? We had passwords at one time. Jeru – passwords are not 100 reliable. Some glitch where you can put the password but I can't. It will be the same pw but doesn't work. So pw is not great. This is why we set it to waiting rooms so we can see who is trying to come in. Jaime – suggest to get gsr more involved to attend the adhoc to at least put some feedback or take some info back to homegroup so we know what the adhoc is trying to do. Maybe the chairperson to get more knowledge. Jeff I have been host at meetings and there is no way for chair persons to also handle all of the technical stuff. Monica – its an open group so my concern is whether or not we are letting anybody in. the waiting room allows one person at a time rather than 10 at a time. How do we know who is an addict and who isn't? How do we know we are not letting in newcomers. Jeru - we bring them in one by one and watch what they do. We pay attention to if they are trying any shenanigans. Jeff - we do ask them to turn on the camera and some leave. Chris – I agree we should have 1 chair facilitator and one host. We may need to change platforms. I don't think information is being decimated timely. Maybe a weekly newsletter?

Sunday night meeting for adhoc. There is really not a homegroup. There is a rep that has been here but no homegroup. We decided to keep it open because we feel it is important. Also, for world. It is the hmegrp responsibility.

Vote to extend. Christine – Members getting kicked out worries me. If someone gets kicked out can they come back in? Jeff - if someone is removed they have to create a new profile. Only those that do something extreme get removed and only from those meetings. You can also report them to zoom. We also have ppl saying they are part of zoom tech support and are actually bombers. Christine - so they are removed for life if they get kicked out any meeting using that id they cannot enter. So for that person to whom that happened at NewComers we will help but NC uses their own acct so we are not involved with that.

(Ivan P. logged in to meeting)

Juanita – Regarding HI meeting, can those be bombed? Jeff- They can but those meetings are not posted.

Also I give the virtual meeting list to clients where I work. Juanita - If they don't use the camera do they get kicked out?

Jeff – we don't. As we learn the names we can also chat back. We don't just kick them out for not turning on the camera.

Nina – can't you all just change the pw instead of the meeting id? Jeff – we don't change the meet id. But how do ppl use the pw if we don't give it to them? That's why we enabled the waiting room because there is no way to give the pw out if we don't know who you are.

Old Business – quorum at 100 %

Motion - To not hold GSR's or groups accountable or penalizing for not coming to Virtual Area Meetings.

(Pro – Jeff S. We need to have it in policy so we can have it for any future emergencies.

Con – (didn't catch who had the con) There should be effort made. Back in our using days we made every effort and why aren't people making an effort.

Liz L – We just read the 5th concept and if we are going to do this we need to clearly define the time limit.

Pro - Corina – We are expecting individuals who are GSRs to have the means to do this. There is a lot of assuming. What if they can't or don't have access?

Jeff – Con - We've also made it simple to have these groups send in reports and they haven't even done that either.

Going back to group

Corina – Said we would not elect ppl. Thought we were going to just not be penalizing ppl. That we weren't going to hold groups accountable. Chris – remember we had the vote yesterday? Whether we were going to waive during covid times or follow pp. Jeff – it came up if we were going to waive the policy. For elections we had already voted. Ted – Just while we are doing it by zoom. Yes is a change in policy. No means we keep the policy.

Pro – Tracey: I believe that ppl in svc positions should not be forced to be on zoom and is not a requirement for covid.

Should not be mandatory

Con – Jaime – would go against pp

Pro – Corina – Where pp is a living doc so we can change it

Con – Jeru we have a team of ppl who can train them and ppl who don't like it but still show up. I don't see why anyone else in asc cannot do it. If they don't want to be on zoom they can call in by phone. I think it should not be changed. I feel uncomfortable some don't want to be here. They are not participating for their group.

91% QUORUM (1 person left)

5 yes 5 no. Policy stays the same so groups lose their vote if have not shown up for April, May, or June ASC

Next Meeting on July 11, 2020 at 10:00 am - Virtual Meeting

Public Relations Chair Report-June 13, 2020

Public Relations Subcommittee met on Saturday, June 6, 2020 via Zoom.

We had four members present at the meeting.

Old Business:

-Reports were made on recent contact efforts:

EPBH- Jeff and Jaime have coordinated a virtual panel meeting that started Thursday, June 4th via Zoom. It will continue each Thursday from 7:30-8:30 for veterans in the facility. I'm proud of H&I and PR joint efforts to make this happen again after about 4 years.

Rescue Mission-Have made a new contact with a gentleman at the facility that can help with PR efforts.

ROSC Meeting-Next meeting will be held June 17th virtually several members will attend.

-PR Order from NAWS for the Health Fair at the OC that is now on hold came in this week. The total amount for the order was \$101.67. A receipt will be given to ASC Treasurer today to account for the \$100 check received from the ASC at time of the order.

New Business

-Our Region had been approached by a reporter for El Paso Matters about how the fellowship was adapting to the quarantine situation. Tom K. referred the reporter to me, and I gave him some information. The article is posted at el.paso.matters.org

-Jeff and Pete attended the Phonelines Subcommittee meeting. Pete expressed his concerns about Albuquerque answering our local calls and not having information handy to direct callers to a virtual meeting. It was addressed and now all calls will be handled by local members. There is also a list of men and women from El Paso whose numbers may be given out to callers for support.

-J had mentioned about having a presentation at La Fe clinic for addicts they serve. We are interested in using an Area Zoom account for a virtual PR presentation in the future.

-Had discussion about new ideas from Zonal PR and H&I forum that occurred on June 5, 2020 and the PR event that occurred the next day. One member shared about the concept of Fellowship Development by mapping their efforts by looking at facilities that serve addicts and match with existing meetings. Then look at how we can hit the areas that are in need of the message. It was suggested to get a map and have it laminated.

There has been a Regional Ad-Hoc formed to plan a virtual event for the Region. The dates will be September 26-27th. It will have a H&I and PR focus. Some members of El Paso Area H&I/PR service bodies will be part of the presentation. Therefore, we may be shifting our focus of the "We All are PR" that had been tentatively scheduled for the fall (October?) of 2020 . More will be revealed!

**Next Meeting -July 4, 2020 (Do we want to keep this date due to holiday?)
1201 East Yandell (if allowed, if not via Zoom)**

In loving service, Jeff S. (PR Chair)

Hello Area Phone Line!

First of all, I truly miss everyone very much, hope everyone is safe during this time. Our Phone line received 55 calls from May 1st thru June 12th, very productive month. There were 4 voicemails and all were returned successfully. We had our area phone line meeting on May 17th, 12 in attendance. We updated list of contacts to 6 men and 6 women, to be given to newcomers during times of Covid-19. We established a webmaster team and have created 3 shell web pages to be presented today, for funding. We removed region as our back up for calls and applied a new set of El Paso members to be back up instead. We completed one 12 step call. Our next area phone line meeting is tomorrow, Sunday June 14th at 4pm zoom ID 242-124-2449.

El Paso Area -P&P Chair Report
June 2020

Good morning ASC Body,

-Once again thank you to the ASC body and all the trusted servants who continue to be of service during this time of crisis!

-P&P held our last meeting on April 11th at 5 pm via Zoom to discuss Policy & Procedures changes & suggestions. Due to the low turnout by members our May meeting was cancelled.

-Denise, Alternate P&P Chair was able to send out copies of a draft version of the working P&P manual to all interested members this past month so they may review it.

(Thank you, Denise, for your hard work!)

-Our next monthly meeting will be held later today at 5 pm in Room 3: 767 366 4943

At today's meeting, we will be considering a term change for our Alternate P&P Chair, any policy changes that might take effect at today's meeting, and we will continue to discuss Appendix items and reviewing the document in general as a subcommittee.

-Our July meeting will be scheduled for July 11th at 5 pm

***Reminder to the ASC Body: We continue to work on reformatting and paginating the P&P document from the old format and keeping track of any policy changes approved by the ASC, but the final document must be approved by the El Paso Area as a whole in the near future before implementation.**

In grateful and loving service,
Jeff S., P&P Chair

H and I Subcommittee report for the month of May 2020

Business meeting held via Zoom at room 242-124-2449

6/7/20 @ 2pm

Report: We would love to extend our gratitude and thanks to the El Paso area of NA for helping the H and I subcommittee hold our first panel meeting at El Paso Behavioral Health Systems! I would like to thank Jeff S and the PR committee for their efforts in service in doing their part in making this happen for El Paso NA! We are filled with joy and words cannot really describe the feeling that we as an area and NA as a whole got this done!

Rogelio Sanchez Unit does not allow the inmates any access to the internet and are not reviewing volunteer applications until further notice. I do keep in touch with Chaplain Lucero and will attempt to send them some NA literature for the inmates.

Otero County Prison does not have the capabilities to hold a virtual meeting at their facility. They are a privately owned prison and don't have the resources like the state run facilities. I did communicate with Chaplain Bacon and she did allow me to send them some literature. I have a receipt that I emailed to the area secretary and will ask for reimbursement. I plan on using those funds to donate to the church where we have our meeting.

I have been attending a few virtual events hosted by the Western Zonal Forum and other regions that are focused on PR and H&I. They have some very good information and ideas on how to be as effective as we can as a Fellowship on how to keep carrying the message to addicts still suffering and having information available to professionals out in the public. I attended one event hosted by an east coast region with professionals in attendance and got some very good feedback when I asked my question.

Our region is going to have a virtual event focusing on H and I. PR is also going to be part of the program for this event. I would like to extend an invitation to members here locally who have been of service in H and I who would like to share their experience, strength, and hope. It will be held on 9/26-9/27/20. More will be revealed.

We are going to take a virtual panel member meeting at Trinity Center very soon and will be running somewhat back to "normal" during these times as far as our presence in H and I in the El Paso area.

We are looking for a secretary for our subcommittee and a panel leader for the women's Alivianetreatment facility we go to. I would like to ask the GSRs if they can pass it on to their home groups and announce these openings.

Again thanks! This was a very productive month and gratifying for us as a subcommittee!

In grateful loving service

Jaime D. H and I chair

Public Relations Minutes

June 6, 2020

Intro Activities

1. Read Service Prayer to open the meeting by Jeff.
2. Jaime Read A Vision for NA Service.
3. Jaime Read 12 Concepts for Service.
4. Welcome to new members/Attendance noted by Zoom participation (Jaime D., J. M, Jeru B., and Jeff S.)
5. Round robin reading of Chapter 2 from Public Relations Handbook-"Core Public Relations Principles" Pgs.5-9.- Highlight main points of reading. Included information on spiritual principles of our program. Highlighted Traditions of our program. Discernment can get more fine tuned as we work a program as we process information and become of service. Sharing our personal stories is our own way to carry the message, but we must do it with restraint. Jaime says this proves that We all are PR! He loves reading the PR Handbook. J really liked the section. We should all know about NA and what we are doing so we give an accurate message. It said to be aware and let the public know what NA is about. Non-addicts may not have accurate information about us. It is up to us to inform them. J really appreciated the presentation last night that talked about boundaries and what you can and cannot do in sponsorship from behind the walls. It said not to share too much about yourself. Whenever we go on a presentation, keep specifics about your story to a minimum so that the program stands out not the individual. Tell the community what NA can and cannot do for them. Internet section sparked some questions for Jeru. It pertained to some of the issues that we have faced in the past few months due to Zoom and on-line virtual meetings. He is here to represent Ad-hoc Virtual Committee since we coordinate efforts. He understands the concept of attraction vs. promotion, but thinks it's so much easier to do that in person rather than over the internet. There is some kind of promotion that happens in that platform. People need to know about the meetings so they can attend. He discussed Facebook page and how people had declared themselves creators of the page and have tried to regulate it based on their opinions. There are others who have stood up and said it's not an official Area page. He feels that we should consider having our own Area page. He doesn't know about privacy and how that could be handled. We don't want to be more visible personally, but how could we use it to help us as an Area/Fellowship. It needs to be initiated by the Area and be monitored. He has learned from experience with the Ad-hoc Committee that we need to follow Traditions and consider input of predecessors. Learned the importance of cooperation and group conscience.

Old Business:

6. Report on contact efforts:
EPBH- Jeff and Jaime have coordinated a virtual panel meeting that started Thursday after speaking with Diana. Jaime shared about the meeting that was for two veterans in the facility. It was a great beginning after 3-4 year wait. The participants were a little late entering, due to Zoom upgrade. Meeting will continue weekly 7:30-8:30 on Thursdays.

EL Paso Police Department-Part of Work Group tasks

Rescue Mission (need to go face-to-face once we can)

Hope Health Fair at Opportunity Center-1208 Myrtle Street (Guillermina Solis-UTEP School of Nursing)- Still on hold per pandemic

ROSC Meeting-No meeting for April due to pandemic. Next meeting will be held June 17th virtually.

El Paso Public Library-Jeff will visit again as soon as he is able to possibly leave placards for display and any other information.

Jeff will ask how many branches there are in town so that we have enough meeting lists and placards for each branch.

7. **Webpage** per ASC discussion will remain under Phonelines Subcommittee for the present time. **Phonelines has established a web team of members to work on page ideas. Region has also established an Ad-Hoc to update and propose changes to our Regional Website. Jaime had to leave for the Web Team meeting. Want to make sure that it is connected to regional and na.org. As a team, they are working with an internet service that is very easy to use. It can be easily linked to na.org site at \$100 per year for the domain.**
8. PR Order from NAWs has not arrived due to limited personnel and no one in the offices. It has been received and processed though-Order number 043320 for \$101.67.
- 9 Tom K.'s presentation to La Tuna to provide meeting lists and literature upon inmate release is still on hold.
10. **Review Individual Work Group efforts and future plans (on-going):**
Criminal Justice (including courts, CPS)-Pete, Marty, Liz N. Liz texted some new contact information: PR Bond is now known as Criminal Justice Coordination Department, point of contact is Tom Lara and Director's name is Scott Linn.
Government (including schools, military)- Gavin, Connie, James, Corina
Connie and James will be meeting with the Chaplain at Ft. Bliss. They are requesting meeting lists, A Resource in the Community pamphlet, and Information about NA.
Healthcare-J, Christine, Val, Grateful Jim, Andrea
Treatment (including Inpatient/Outpatient/Residential)-Jeff, Grey, Tracey, Jaime, Jerusalem

New Business

11. Region had been approached by a reporter for El Paso Matters about how the fellowship was adapting to the quarantine situation. Tom K. referred the reporter to Jeff who gave an interview. The article is posted at el paso matters.org
12. Jeff and Pete attended the Phonelines Subcommittee meeting. Pete expressed his concerns about Albuquerque answering our local calls and not having information handy to direct callers to a virtual meeting. It was addressed and now all calls will be handled by local members. There is also a list of men and women from El Paso whose numbers may be given out to callers for support.
13. J had mentioned about having a presentation at La Fe clinic for addicts they serve. Could we use our Area Zoom account for virtual presentation? Jeff will bring this idea to

the Ad-Hoc Virtual Committee and see if we can use the room for a presentation. Then J can contact La Fe so we can set up something before our next meeting.

13. Have discussion about new ideas from Zonal PR and H&I forum that occurred on Friday night and the Saturday PR event. Jaime shared about the concept of Fellowship Development by mapping their efforts by looking at facilities that serve addicts and then match with existing meetings. Then look at how we can hit the areas that are in need of the message. It was suggested to get a map and have it laminated. J shared about the Zonal Forum and discussion on boundaries with working with those behind the walls. Don't want to share too much personal information. J reiterated his sharing about the work of Jimmy H. at the Regional Convention level and how the inmates were allowed to attend the convention and how much work that took. Jeff asked about the possibility of using a landline at a facility where they don't allow internet/virtual meetings. We could have a speaker panel via conference call.

14. **Continue CBDM discussion of next PR learning event "We All are PR" that had been tentatively scheduled for the fall (October?) of 2020 (Include plans from Regional Ad-Hoc for Virtual Event and ideas gathered from the zonal forum.**

Note: Originally, it was agreed that we have another PR Event and that we coordinate our efforts with other El Paso Area subcommittees (Phonelines, H&I, and Activities). It will be a Regional event. We are also in favor of doing the event in October 2020. We have discussed location and schedules and invitations. Others mentioned that it could be handled by an Ad-Hoc.

Questions/Concerns

Adjourn

**Next Meeting -July 4, 2020 (We may have to change this date due to the holiday)

RGRNA Regional Service Committee Report

June 13, 2020

Hello Everyone,

1) As RCM 2, I attended the Regional

Service Committee Meeting on May 23, 2020 in absence of Liz L., RCM 1. For the record, the El Paso Area of NA continues to regularly attend the RSC meeting. Also the RSC & ASC meetings continue to be held virtually online, as well as NA & committee meetings due to the coronavirus pandemic. Locally there are a very few live meetings.

2) A motion passed unanimously to to cancel the RGRCA & tentatively have it in 2021. Las Cruces, NM decided to remove their bid. All the same convention committee members will keep their same positions. The earlier regional vote taken to evaluate direction of convention, voted mostly to cancel. Unfortunately, I had to leave for a COVID-19 test appointment before I could vote on the motion. But area's vote for postponement was the only single vote for it.

3) Motion to extend expiring terms of positions did not pass. Body decided to have elections that same day in order to move forward sooner than later. New Officers:

AnnaMaria M., Chair

Shannon S.,

Regional Convention Committee

Jackie P., Secretary

Tom K., Regional Delegate

Sashua H.,

Alternate Regional Delegate

Open Positions

Vice Chair Public Relations

Treasure. Hospitals &

Webmaster Institutions

Phonelines

4) Jackie P., new secretary has formed an Ad Hoc Committee to present "Virtual Event"/Mini-Convention in Sept 2020. Focus will be on H&I & PR theme. Meeting every Sat. 4pm. Please attend if you want to volunteer &/or submit ideas.

5) Tom K., Regional PR Chair has expressed interest in forming a small Ad Hoc Committee to develop regional guidelines to use in reopening live meetings during this coronavirus epidemic.

) Finally, Tom K. & Sashua H. newly elected regional delegates will be starting virtual participation in the World Service Conference. Robert? will be staying on until the WSC ends to help Tom & Sashua learn & take over this role.

6) The next RSC meeting is on July 18, 2020.

T h a n k Y o u .

Gratefully yours,

J, RCM 2

Hi everyone,

- 1) No area donation. No current 7th tradition.
- 2) Virtual meeting continues until further notice. Home group member has asked about possible reopening of live meeting but group conscience decided to delay it until get reassurance of compliance with pandemic safety precautions. Also need to find out if church has reopened &/or get permission. No problems with Zoom.
- 3) No anniversaries. Average attendance fluctuating-5. Minimal newcomers. No visitors from out of state or country. All NA traditions followed.
- 4) Read out of "Just for Today" for meeting topic. Some attendees share about their life situations. Others about their experience, strength, & hope...or message of recovery.
- 5) Revised meeting format to include older meeting etiquette guidelines.

Meets M-S on Zoom 204-534-9460

Average Attendance: 8-25 members

No Traditions being violated.

One concern: we were not notified our ZOOM info was being put on World Website

and it resulted in a few zoom bombers within a few days. We have now put in safe guards.

Would love a heads up next time from Zoom Committee so we can be proactive and preventive.

Also, is there a zoom committee member that can be co-host?

We will be contacting church to see if re-opening is possible, we will vote if so.

Our format of

Beto will be donating \$25 to Area and we will give church \$50 as a storage fee type payment.

We will celebrate our Group Anniversary Saturday the 27th with 2 male and 2 female speakers on ZOOM. Look out for a flyer.

GROUP MEMBERS' ANNIVERSARIES-

David 3yrs the 13th
Michelle S. 1yr the 15th
Edgar 1yr the 16th
